

MORE BITE FOR YOUR MONEY

KVX FORKS

The KVX logo consists of the letters 'KVX' in a bold, blue, sans-serif font. Each letter has a white outline and a slight 3D effect, giving it a metallic appearance.

KVX offer a wide range of equipment and tools for wheel loaders, like Buckets, Forks, Breakers, Clearing Rakes and Block handling buckets.

The KVX forks are specially made for marble and granite quarries. Manufactured with different types of HARDOX special steel (400-450-500-600), these high quality tools takes your production to the top level.

KVX Forks

Fork attachments are mainly used in block handling applications and are able to raise and carry many oversized materials much more effectively and more safely than a bucket.

All KVX wheel loader tools can be equipped with quick couplers of your choice..

Machine sizes	Quick Coupler	Forks	
		Capacity ton	Part No.
20-24T	WQC24	18	WF24QC18
